How to Play

Select 2 games only from each of the 4 sections shown; which you think the total goals scored in the game will be 3 or more. (See example line)

It does not matter who scores the goals, and you are **not** required to predict score lines.

Get all of your 8 selections correct and share in the prize fund.

Rules

- 1) Players must be 18 years of age.
- 2) Each selection submitted in each section must achieve the minimum number of 3 goals during 90 Minutes plus injury time (extra time does not count where applicable).
- 3) In the event no individual can achieve the required 8 results any money collected goes over to when the competition is next run (within 7 days) as a rollover fund..
- 4) In the event of 2 or more individuals achieving the required results the jackpot fund will be divided amongst those individuals.
- 5) In the event that an event is postponed to another day or cancelled that selection is moved onto the top selection on that section, if that selection is postponed to another day or cancelled the selection moves down to the next selection and so on.
- 6) In the event that all selections in a section are postponed to another day or cancelled the competition will run with the remaining sections.
- 7) In the event that any section does not produce the required number of selections i.e. 2 (two) then any player(s) who has achieved the required/possible results in that section and other sections will be deemed to have won.
- 8) The Jackpot fund will be divided amongst any players whose selections reach 3 goals or more. (8 selections required) except where rule 7 applies.

Free play

You can play goal challenge for free by visiting

www.goalchallenge.co.uk

where you can register to play online.

We currently only ask for a username and an email address, which we do not share with any other party whatsoever.

The Prize for free play is fixed currently at £50 and does not rollover like the paid game, this figure will only be increased as we get paid sponsorship on our website and printed material.

Any winning ticket numbers will be published on our website.
If you have a winning ticket it must be presented to claim your prize.

If you or anyone you know, wish to play either the paid or free game each week please call 01257 483868 and someone will assist you.
